## MINISTRY STORY

Juan Andres is a professional retired man who lives in other city far from our main office, but he always read our monthly booklets and also is in touch concerning our activities. Six month ago his leg was amputee, but he said that God will always help him while he trusts in Him.

During this last visit that our brothers from Steep Global they brought the leg for Juan Andres who was very happy and gratefully with the support that LHM and this organization offered him.

Today Juan Andres become one more witness of the work that LHM is carrying out in Nicaragua and also he is sharing the Message that God is offering for all those

who did not hear yet about the salvation message through Jesus Christ.
